

Winter Digital Photography February 26-28, 2021

Materials List:

- **Masks - required.**
- warm, comfortable clothes
- flashlight
- **blankets**
- **pillow**
- **towels**
- any beverages/snacks to share
-

When making a book:

- bring your laptop with your photo project gathered in a folder (it can be hundreds of images), unedited! I will help you pick the best.
- You will need to download Adobe Lightroom from www.adobe.com Subscription is \$10/month. You can cancel anytime. Lightroom is coupled with Blurb bookmaking software. Super easy to work. I will have a lecture about bookmaking on Friday evening.

Alternatively, if you do not want to make a book

- Bring your photos on your computer, (gathered in one folder) and organize them in whatever software you have on your laptop.
- Bring your camera, charging cables, (also for laptop), and memory cards.
